

## Congratulations!

*This letter is to inform you of your confirmation as a participant in the Filipino American National Historical Society – San Diego Tour. We hope that you are excited as us! The following information should help you make most of your day.*

**What will be included:** A privately chartered trolley bus tour of beautiful San Diego. On this tour we will highlight many historical and significant sites for Filipinos and Filipino Americans in San Diego. A light dinner and entertainment will also be provided during our program in Balboa Park.

**Things you should bring:** Cameras to take selfies with our gorgeous scenic views, a very light jacket just in case you get chilly in our open air busses, comfortable walking shoes, a hat or sunglasses for the sunny weather, sunscreen to be on the safe side, any prescription medications you may need during the 6 hour time frame, and a blanket or towel for the lawn program at the park (some chairs and benches will be provided).

**Where & When to go:** It is your responsibility to meet in front of the Kona Kai Resort at 12:30 PM to begin embarking. Each bus will be designated a specific color code: Blue, Red, and Yellow. All busses will be departing from the resort promptly at 1:00PM with or without you. (Please arrive early, as the driver will not wait or turn around.) We will be returning to the Kona Kai before the moon rises at 7:00 PM.

During this time of the year we expect to have a high temperature of 75 degrees and a low of 66. Weather is subject to change. If you are in need of any special assistance we ask that you give us as much advance notice as possible. Please let us know of any mobility concerns. This will allow us ample time to prepare for your needs.
